AKO₂YA OXYGEN

Welcome home

The importance of home has passed down from generation to generation, where children were taught the rudiments of kinship at a young age. Warmth, harmony and an indomitable sense of belonging filled each space; and every guest was made to feel at home the moment they stepped in.

Find your home at Aknan

To capture this incredible sentiment, we wanted to create homes that exude a warm welcome. Thus Aknan Villas came about – a collection of luxurious homes in AKOYA Oxygen, Dubai's greenest international golf community.

Harmonious living

Perfect inside and out, the villas at Aknan have just the right amount of space to decorate and utilise to your liking. With large windows opening out onto your private garden, the lush green surrounds are invited indoors to create a peaceful and picturesque living environment.

A true community

AKOYA Oxygen is a completely self-contained master development with everything needed for a happy, healthy lifestyle, right there on-site. There's a huge choice of shopping, dining and entertainment, all set against a stunning green backdrop, along with quality, everyday amenities such as schools and nurseries.

Green living

Healthy green living is easy at AKOYA Oxygen. From refreshing wellbeing areas, to a wealth of parks scattered throughout the community, there are plenty of opportunities to recharge. AKOYA Oxygen is a great place where friends and families can enjoy time spent outdoors.

A full-page photograph of a male golfer walking across a lush green golf course at sunset. The golfer is wearing a light blue polo shirt, light grey trousers, a white belt, a light grey baseball cap, and white golf gloves. He is carrying a black golf bag filled with clubs over his right shoulder. The sun is low on the horizon, creating a warm, golden glow and lens flare effects. In the background, there are dense green trees and a few blurred golf carts. On the left side of the image, there is a large, stylized, light grey graphic element that resembles a stylized 'S' or a series of overlapping loops.

A golfer's haven

AKOYA Oxygen brings the ultimate golfing lifestyle to your doorstep – with a championship-standard course and practice facilities complemented by PGA qualified coaches, along with pro shop, state-of-the-art clubhouse and world-class dining.

Location

AKOYA Oxygen invites you to take life at your own pace. A greener community that's more considerate towards the environment, most of the amenities are inspired by nature and promote a balanced way of life. The community's location provides easy access to major road networks. This ensures a fast and convenient commute to major business hubs and the city's attractions.
