

BINGHATTI
Hillside

A Legacy of Architectural Artistry

As a distinguished Emirati property brand, Binghatti has carved a niche for itself by creating iconic landmarks that redefine the skyline. The brand's diverse portfolio caters to a wide spectrum of discerning clientele, offering projects that range from accessible elegance to ultra-high-end luxury. Binghatti's signature design DNA, meticulously woven into each development, sets it apart on the global stage. With over 79 projects in the region valued at more than AED 50 billion, Binghatti is a leading privately held developer in the UAE. The company's impressive track record, including the successful delivery of 20,000 units prior to 2024, underscores its dedication to crafting exceptional living spaces. Through groundbreaking collaborations with prestigious luxury brands such as BUGATTI, Mercedes-Benz, and Jacob & Co., Binghatti continues to push boundaries and set new benchmarks in the world of branded real estate.

Floor Plan

Disclaimer: 1. All room dimensions are measured to structural elements and exclude wall finishes and construction tolerances. 2. All dimensions have been provided by our consultant architects. 3. All materials, dimensions and drawings are approximate. Information is subject to change without notice. 4. Actual suite area may vary from the stated area. Drawings not to scale. The developer reserves the right to make revisions. 5. Calculation of suite area is measured as the area bounded by the centre line of demising or partition walls separating one unit from another unit, the exterior face of all exterior walls, and the exterior face of the corridor wall enclosing the adjoining unit. 6. Calculation of balcony area is measured as the area bounded by the centre line of demising or partition walls separating one unit from another unit, the outmost face of the enclosing guard and the external face of the adjoining balcony. 7. The units are measured at typical floor in the building. Columns may vary in size depending on the floor level. 8. For each unit type, unit sizes and details might be slightly different. Please refer to the sales and purchase agreement for the actual size of each specific unit.
